Park Hall Academy Sixth Form

Our latest OFSTED inspection confirmed our 6th form provision to be good, with inspectors' comments reflecting our pleasing results, our high-quality enrichment and work experience programmes, and the positive attitudes of our sixth formers.

We are very proud of their achievements on a range of courses including both A levels and BTEC Applied General qualifications (which are equivalent to A level).

- ◆ Olivia Wallbank – first admission to Oxford
- ◆ A record number of students from our 2024 leavers going onto Russell Group universities.
- ◆ This year we had a record number of students achieving straight A's at A level (three).
- ◆ Our highest ever number of successful university applicants (50 students – 70% of year 13)

- ◆ A record number of external applicants – with 18 high performing students joining our Sixth Form this from other schools including one student who achieved 8 grade 9's at GCSE

On Thursday 7th November (from 6.00 to 8.00pm) Park Hall Academy is holding a Sixth Form Information Evening for all Year 11 students and their parents/ carers. The aim of the evening is to give students a flavour of the courses on offer and enable you to discuss specific options with subject tutors, other Sixth Form staff and current students.

Presentations and information will be available in the Assembly Hall from 6.00pm. Students will also have the opportunity to attend presentations by subject tutors about the courses on offer and visit the subject stands, whilst enjoying refreshments in the 6th Form Refectory.

We welcome both internal and external applications.

We are a highly aspirational, Business dress Sixth Form.
